

## Chapter 7. Search Provider

The Nevada Medicaid and Nevada Check Up Provider Web Portal (formerly EVS) allows providers, or their delegates, the ability to search for active fee for service providers online through the unsecured and secured areas of the Provider Web Portal (PWP). The search results will show all providers that match the search criteria entered, and if the provider is an Ordering, Prescribing or Referring (OPR) Specialty 400 provider only.

### 7.1 Gaining access to Search Provider

To access the Search Provider page using the Nevada Medicaid Provider website:

1. Open a web browser such as Chrome or Firefox.
2. Enter [www.medicaid.nv.gov](http://www.medicaid.nv.gov) in the address bar.
3. From the Featured Links panel on the left-hand side of the home page, click **Search Providers**.

To access the Search Provider page using the unsecured area of the PWP:

1. Open a web browser such as Chrome or Firefox.
2. Enter [www.medicaid.nv.gov](http://www.medicaid.nv.gov) in the address bar.
3. The Nevada Medicaid Provider website opens as shown below. Then click **PWP**. The submenu displays “User Manual” and “Provider Login (PWP).”

4. Click **Provider Login (PWP)**. The PWP Home page opens.
5. Click **Search Providers**.

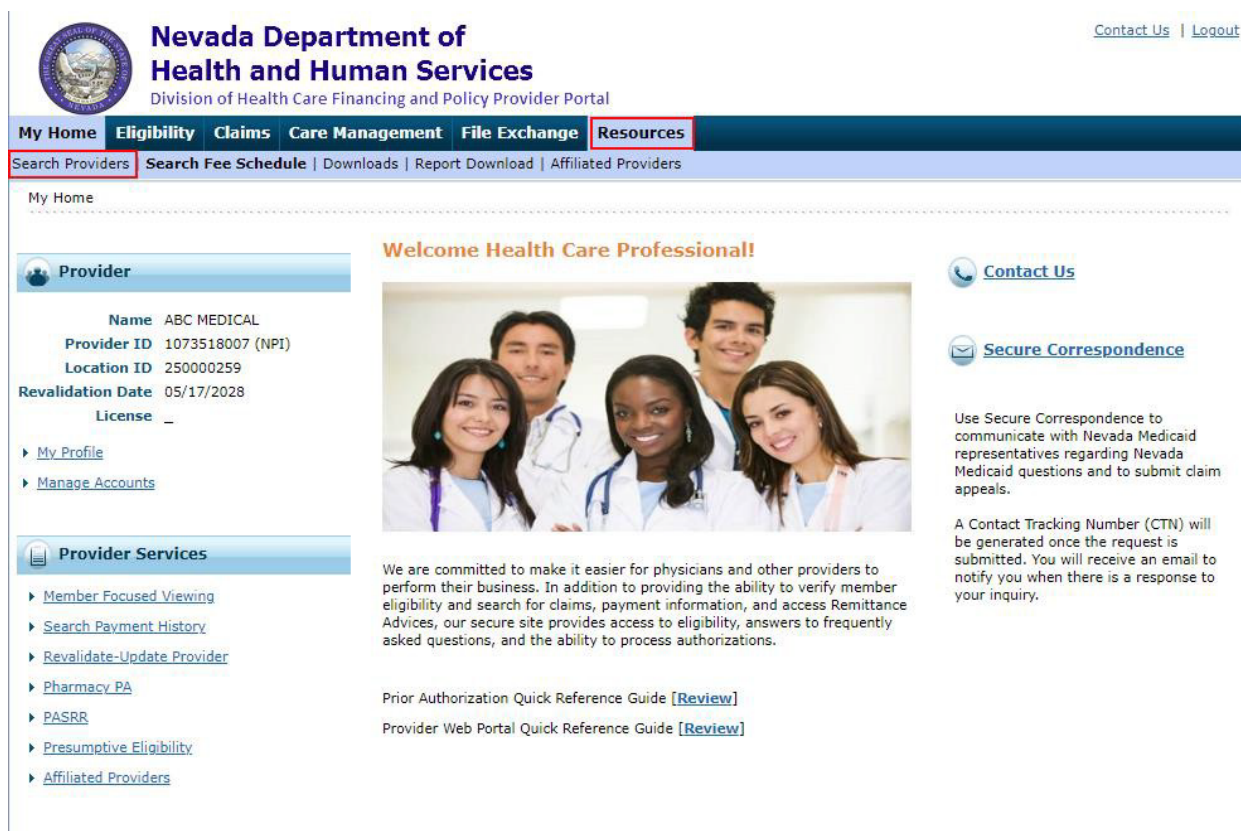

To access the Search Provider page using the secured area of the PWP:

1. Open a web browser such as Chrome or Firefox.
2. Enter [www.medicaid.nv.gov](http://www.medicaid.nv.gov) in the address bar.
3. The Nevada Medicaid Provider website opens as shown below. Then click **PWP**. The submenu displays “User Manual” and “Provider Login (PWP).”

4. Click **Provider Login (PWP)**. The PWP Home page opens.
5. Log into the Provider Web Portal.
6. On the “My Home” page, under Resources click the **Search Providers** link to open the Search Providers page:

## 7.2 Search Provider

The following fields are displayed on the Search Provider page:

1. City
2. State
3. Zip Code
4. County
5. NPI
6. Provider Category
7. Provider Specialty
8. Name
9. On Call Providers Only (Only displays when accessing Search Provider after logging into the secure area of the PWP)
10. Results

**Advanced Search Options displayed by clicking Show Advanced Search:**

11. Last/Organization Name
12. First Name
13. Group Practice
14. TDD Capability
15. Provider Specialty 400 Only (Ordering, Prescribing, Referring)

The fields marked with a red \* are required fields.

## 7.4 Search Results

After the applicable search criteria has been entered, click the **Search** button to display the search results. The search results will show a list of matching active providers and display the following:

- Provider
- NPI
- Address
- Phone
- Specialty
- Status
- Search results paging at the bottom of the page will now show "Previous" and "Next".

## 7.8 Access Help page

Help information for this page can be accessed by clicking the “?” on the page.

**Search Provider** ?

\* Indicates a required field.

OPR providers will not be reimbursed for services rendered that are provided to NV Medicaid recipients.

**Health Plan** Nevada Medicaid Title XIX Fee For Service

Enter your Address (City and State, County and State, or ZIP Code only).

**City**  **State**  **Zip Code**

**County**

## 7.9 Tips for Search Provider

- To help narrow your search results you should enter as much search criteria as possible.
- If you enter the City or County, then the State must be entered.
- If you enter State, then the City or County must be entered.
- If a State other than Nevada is selected from the drop-down list, then the County will be prepopulated with “Out of State” and will be read only.
- You can select the number of results to display per page.
- A message will appear if no providers meet your search criteria.
- Click **Show Advanced Search** to add additional criteria, such as TDD Capability (provider uses telecommunications device for the deaf) or Provider Specialty 400 only (Ordering, Prescribing, Referring), and click **Search Provider**.
- Click **Hide Advanced Search** to close the additional search criteria.
