

Nevada Medicaid PDL Update

Effective August 27, 2004, the following change was made to the PDL:

Brand name Cipro tablets have been replaced by generic ciprofloxacin tablets.

Cipro XR tabs and Cipro suspension remain preferred agents.

For questions regarding the PDL process, including prior authorization requests for non-preferred agents, please contact our Clinical Call Center at (800) 505-9185.
