Attention Provider Type 17 Specialty 174: CPT Code 58110 May Be Billed

Effective with claims with dates of service on or after January 1, 2015, CPT code 58110 (Endometrial sampling (biopsy) performed in conjunction with colposcopy) may be billed by provider type 17 (Special Clinic) specialty 174 (Public Health Clinic) with modifiers 22, 54, 55, 56 and 62. Prior authorization is not required. Effective December 15, 2015, these claims will no longer deny for edit codes 0148 (Rendering provider not certified to perform procedure) or 0210 (No fees found on file). Claims by PT 17 specialty 174 for CPT code 58110 submitted on or after January 1, 2015, that denied for edit codes 0148 or 0210 will be automatically reprocessed. The results of the reprocessed claims will appear on a future remittance advice.
