Adjustments/Voids Can Be Made Using ADA Claim Form

Effective January 18, 2016, dental providers can adjust or void a dental claim by using the ADA Claim Form.

Please follow these field instructions when submitting an adjustment or void request on a paper claim form:

- Field 16: Include the most appropriate adjustment/void reason code that identifies why the claim is being adjusted or voided
- Field 17: Include the last paid ICN

Note: Claim adjustments/voids may be submitted electronically. For more information on electronic adjustments/voids submission, please refer to the companion guides located at:
