Narcan Nasal Spray Added to Preferred Drug List

Effective February 22, 2016, Narcan Nasal Spray will be listed as preferred on the Nevada Medicaid/Nevada Check Up Preferred Drug List (PDL). This medication is currently available without prior authorization.

Narcan Nasal Spray is an opioid antagonist indicated for the emergency treatment of known or suspected opioid overdose, as manifested by respiratory and/or central nervous system depression. Narcan Nasal Spray is intended for immediate administration as emergency therapy in settings where opioids may be present.

Narcan Nasal Spray is not a substitute for emergency medical care.
