Announcement 1208

Attention Provider Types 76 and 17 (Specialties 174, 183, 195, 196, 197 and 198):

Do Not Bill CPT Code 92586 with Modifier 26

Effective on claims with dates of service on or after September 1, 2016, provider types 76 (Audiologist) and 17 (Special Clinics, specialties 174, 183, 195, 196, 197 and 198) will not be reimbursed for Current Procedural Terminology (CPT) code 92586 (Auditory evoked potentials for evoked response audiometry and/or testing of the central nervous system; limited) when billed with modifier 26 (Professional component). Claims for CPT code 92586 billed with modifier 26 will deny.
