Annual Rate Adjustment for Rural Health Clinics (RHC) Provider Type 17, Specialty 180

Federally mandated annual Medicare Economic Index (MEI) rate adjustments became effective October 1, 2016, for Rural Health Clinics (provider type 17, specialty 180). The rate adjustment applies only to the encounter code T1015 for the all-inclusive Prospective Payment System (PPS). Any claims with dates of service on or after October 1, 2016, through November 3, 2016, that paid at the incorrect rate will be automatically reprocessed at the new rate. Results of any reprocessed claims will appear on a future remittance advice.
