Attention Provider Type 39:

Training Scheduled Regarding Prior Authorization and DHHS Services for ADHC Services

The Division of Health Care Financing and Policy (DHCFP) and Hewlett Packard Enterprise will present training for Adult Day Health Care (ADHC) provider type 39 on March 6, 2017. The Hewlett Packard Enterprise session will focus on the process for requesting prior authorization for ADHC services. Presentations from Nevada Department of Health and Human Services (DHHS) representatives will include 1915(i) Case Management Services and authorization for recipients for ADHC services; Health Care Quality and Compliance will review licensing; the DHCFP Surveillance and Utilization Review (SUR) Unit will present an overview of the unit’s role; and Quality Assurance will present Program Compliance Reviews.

The training will be held in Las Vegas and will be presented virtually for providers who cannot attend in person. Please visit the [2017 Provider Training Registration Website](#) to register to attend the training. Access details for the virtual room training will be returned to providers in an email prior to the session.
