Influenza and Polio Vaccine Procedure Codes Opened for Billing

Effective September 1, 2017, the following influenza and polio vaccine procedure codes are billable by the Nevada Medicaid provider types listed in Table 1. National Drug Codes (NDCs) are required on claims for these codes. Reminder: Providers will bill for the vaccine administration using the CPT code. The vaccine serum will be billed using NDC. Only the administration will be reimbursed for Vaccines for Children (VFC) (18 years of age and younger) use. Nevada Medicaid cannot reimburse for these immunizations for recipients under 19 years of age.

Table 1.

Code	Provider Types <i>(see Table 2 for the PT descriptions)</i>
