Web Announcement 1459

Attention Providers Who Submit UB-04 Claim Forms: Notification Regarding UB-04 Claims That Denied in Error with Edit Code 0683

Claims submitted on a UB-04 Claim Form on which Field 78 was blank denied in error with edit code 0683 (Referring NPI not submitted or is invalid). The Medicaid Management Information System (MMIS) has been updated and these claims no longer deny in error as of September 7, 2017.

Claims that denied in error that were submitted on or after July 3, 2017, through September 7, 2017, have been automatically reprocessed. The results of the reprocessed claims appear on remittance advices dated October 6, 2017.
