**Attention Provider Type 33 (Durable Medical Equipment, Prosthetics, Orthotics and Supplies):**

**Claims for Orthotic Procedure Code L2200**

Claims submitted by provider type 33 (Durable Medical Equipment, Prosthetics, Orthotics and Supplies) for Orthotic procedure code L2200 (Addition to lower extremity orthosis, limited ankle motion, each joint) may have been denied in error with edit code 0481 (Nursing home patient; PA required) when the recipient was in a nursing home and a prior authorization was present. Effective March 19, 2018, the issue has been resolved and these claims will adjudicate correctly.

The impacted claims that were denied in error will be automatically reprocessed. Providers do not need to resubmit or appeal the denied claims. A future web announcement will notify providers when the claims will be reprocessed.
