Web Announcement 1605

## **Clinical Claim Editor Updated with NCCI Quarter 1 2018 Files**

The clinical claim editor in the Medicaid Management Information System (MMIS) was updated on May 21, 2018, with the Centers for Medicare & Medicaid Services (CMS) National Correct Coding Initiative (NCCI) Quarter 1 2018 files, which were effective January 1, 2018. Any claims with dates of service on or after January 1, 2018, and processed before May 21, 2018, that were not processed using the updated NCCI files will be automatically reprocessed. A future web announcement will notify providers when the affected claims are reprocessed. Reminder: When the claims are reprocessed using the updated NCCI files, they will continue through the claims processing system and will be subject to subsequent validations.
