Web Announcement 1849

## **Attention Provider Type 15 (Registered Dietitians):**

### **Reminder of Procedure Codes That Can Be Billed**

Registered Dietitian services are limited to Medical Nutrition Therapy (MNT) services for the purpose of management of nutrition related to diabetes, obesity, heart disease and hypertension. Services must be rendered according to the written orders of the physician, physician's assistant or advanced practice registered nurse as part of an individualized treatment plan. The service limitation is a combination of four hours for any of the Current Procedural Terminology (CPT) codes listed below for the first rolling year and two hours in subsequent rolling years per recipient.

<b>CPT Code</b>	<b>Description</b>
97802	Medical nutrition therapy, assessment and intervention; individual, face to face with the patient; each 15 minutes
97803	Medical nutrition therapy, re-assessment and intervention; individual, face to face with the patient; each 15 minutes
97804	Medical nutrition therapy, group, 2 or more; each 30 minutes
G0270	Medical nutrition therapy, reassessment and subsequent intervention(s); MNT subsequent treatment for change in diagnosis; each 15 minutes
G0271	Medical nutrition therapy, reassessment and subsequent interventions; group MNT 2 or more; each 30 minutes
Q3014	Telehealth Services

Additional information can be found in the [Provider Type 15 Billing Guide](#).
