Web Announcement 1862

Update: Rates for the New 2019 Codes Have Been Implemented in Medicaid Management Information System

Update to [Web Announcement 1855](#): The rates for the new 2019 codes were updated in the Medicaid Management Information System (MMIS) on March 18, 2019.

Any claims for the new 2019 codes with dates of service on or after January 1, 2019, through March 18, 2019, that denied because the rates were not updated in MMIS will be automatically reprocessed at a later date. A future web announcement will notify providers when the impacted claims are reprocessed. It is not necessary to resubmit or appeal the denied claims.
