3. For items which require prior authorization and have a Nevada Medicaid assigned rate of \$500 or more, use the [Mobility Assessment and Prior Authorization \(PA\) \(form FA-1B\)](#).
4. Discontinue using all previous versions of these forms. Effective on and after **May 31, 2019**, any requests using previous versions of the forms will be **denied** based on Medicaid Services Manual Chapter 1303.4.A.5 for not using the most current version.
5. Forms can no longer be faxed. They must be submitted electronically through the [Provider Web Portal](#).
