

September 20, 2019 (Updated October 30, 2019)

Web Announcement 1976

Attention Provider Type 38 (Waiver for Individuals with Intellectual and Developmental Disabilities):

Procedure Code T2025 Replaces Codes T2024 and 96152

Effective with claims with dates of service on or after July 1, 2019, Healthcare Common Procedure Coding System (HCPCS) code T2025 (Waiver services; not otherwise specified) has replaced HCPCS code T2024 (Service assessment/plan of care development, waiver) and Current Procedural Terminology (CPT) code 96152 (Health and behavior intervention, each 15 minutes, face-to-face; individual) for provider type 38 (Waiver for Individuals with Intellectual and Developmental Disabilities). PT 38 can bill code T2025 with modifiers HN and HO.

Claims for CPT code 96152 submitted with dates of service on or after July 1, 2019, and before September 9, 2019, that denied because billed units exceeded for this service may be resubmitted with HCPCS code T2025.

Any claims for HCPCS code T2025 submitted on or after July 1, 2019, and before September 9, 2019, that denied with error code 4758 (Billing provider type/provider specialty restriction on procedure coverage rule) may be resubmitted within timely filing guidelines.
