Web Announcement 1995

Attention Provider Types 14 (Behavioral Health Outpatient Treatment) and 26 (Psychologist):

Please Respond to DHCFP Rate Review Surveys by November 11, 2019

During the previous calendar year, the State of Nevada Division of Health Care Financing and Policy (DHCFP) began implementing the requirements set forth by Assembly Bill 108 (AB 108). AB 108 was passed during the 2017 Nevada Legislative Session.

Under the established rate review schedule, Behavioral Health Outpatient Treatment and Psychologist providers were under review during the first quarter of 2019. Surveys were made available; however, upon further review, DHCFP determined that certain codes for behavioral health and psychologist providers may not have been up to date. Revised surveys and instructions are now available [here](#), and behavioral health and psychologist providers will now have until November 11, 2019, to respond.

Completed surveys may be returned via US Mail at the address provided on the survey or returned via email to Rates@DHCFP.nv.gov. Surveys must be completed and returned by November 11, 2019. **As a valued partner with Nevada Medicaid, DHCFP strongly encourages all behavioral health and psychologist providers to complete the survey. Data gathered from provider responses directly contributes to the analysis of current reimbursement rates and may assist in justifying rate adjustments in the future.**

For more information on AB 108 Rate Reviews, including a full quarterly schedule, surveys for each provider type, and detailed instructions, please visit the [AB 108 page](#) on the DHCFP website.
