Web Announcement 2008

Claim Adjustment Reason Code (CARC) and Remittance Advice Remark Code (RARC) Files Updated in Medicaid Management Information System (MMIS)

Claim Adjustment Reason Code (CARC) and Remittance Advice Remark Code (RARC) files will be updated in the Medicaid Management Information System (MMIS) effective on claims with dates of service on or after November 1, 2019. If any claims with dates of service on or after November 1, 2019, are not processed using the updated files, they will be automatically reprocessed. A future web announcement will notify providers when the claims are reprocessed, if applicable.
