Web Announcement 2026

## **Attention All Nevada Medicaid Providers: Claims Denied with Error Code 2502 (Client Covered by Medicare B)**

Some claims processed between January 25, 2019, and August 5, 2019, may have been denied inappropriately with error code 2502 (Client covered by Medicare B). Impacted claims will be automatically reprocessed. A future web announcement will notify providers when the claims are reprocessed. Upon reprocessing, claims may deny appropriately again for error code 2502 or other applicable edits. As a result, there may be no additional payment.
