Medicare Part D Co-Pay Reimbursement Increase for 2020

Nevada Medicaid pays dual-eligible recipient's Medicare Part D co-pay for prescriptions. Effective January 1, 2020, the co-pay for brand medications will increase from \$3.80 to \$3.90. The co-pay for generic medications will increase from \$1.25 to \$1.30. OptumRx has updated the reimbursement to reflect the increased amount on the effective date. No action is required by pharmacies to receive this new rate.
