Web Announcement 2064

**Attention Provider Type 33 (Durable Medical Equipment, Prosthetics, Orthotics and Supplies):**

**Claims for Procedure Code A4456**

Per Nevada Medicaid policy, procedure code A4456 (Adhesive remover, wipes) billed by provider type 33 (Durable Medical Equipment, Prosthetics, Orthotics and Supplies) has a limitation of 50 units per rolling month. Claims for procedure code A4456 billed by PT 33 have been denying in error with error code 5512 (One unit per 3 rolling months). Effective with claims that process on or after December 16, 2019, claims with procedure code A4456 will receive error code 5567 (50 units allowed per rolling month – PA [Prior Authorization] Override) instead of error code 5512 if no PA is on file when the utilization of 50 has been met.

The impacted claims that denied in error and processed on or after February 1, 2019, through December 16, 2019, will be automatically reprocessed to adjudicate correctly. Providers do not need to resubmit or appeal the denied claims. A future remittance advice message will notify providers when the claims are reprocessed.
