Web Announcement 2171

Update Regarding Claims for Current Procedural Terminology (CPT) Code 87661 (Trichomonas Vaginalis, Amplified Probe Technique)

Update to [Web Announcement 2078](#): Claims for Current Procedural Terminology (CPT) code 87661 (Trichomonas vaginalis, amplified probe technique) submitted by the provider types listed below with dates of service on or after January 1, 2020, through January 27, 2020, that denied have been automatically reprocessed. Results of the reprocessed claims appear on the remittance advice dated April 24, 2020.

Please note: When claims are reprocessed, please be aware that all system and clinical claim editor edits are applicable. As a result, there may be no additional payment, and other claim denials may be received. Providers have the right to appeal denied claims, including those denied upon reprocessing. Please refer to [Medicaid Services Manual Chapter 100](#) and the [Billing Manual](#) for information concerning the claim appeal process and time frames.
