Attention Provider Type 17 (Special Clinics) Specialty 166 (Family Planning):
Family Planning Claims Reprocessed

Claims submitted by provider type 17 (Special Clinics) specialty 166 (Family Planning) that processed on or after March 1, 2019, through March 17, 2020, that did not pay correctly as family planning (FP) claims have been automatically reprocessed to pay correctly under the correct family planning fund code. Results of the reprocessed claims appear on the remittance advice dated June 26, 2020. Providers may not see a difference from the initial payment.

Please note: When claims are reprocessed, please be aware that all system and clinical claim editor edits are applicable. As a result, there may be no additional payment, and other claim denials may be received. Providers have the right to appeal denied claims, including those denied upon reprocessing. Please refer to [Medicaid Services Manual Chapter 100](#) and the [Billing Manual](#) for information concerning the claim appeal process and time frames.
