Web Announcement 306

Attention Provider Types 14, 26 and 82 Who Perform Basic Skills Training and Psychosocial Rehabilitation Services

Effective with dates of service on or after Feb. 1, 2010, Nevada Medicaid will reimburse basic skills training and psychosocial rehabilitation services at a single rate (one unit per 15 minutes) to all qualified providers regardless of specialty. The affected Healthcare Common Procedure Coding System (HCPCS) codes are H2014 and H2017 with and without modifier HQ (for group services).

The current rates will be posted on the Nevada Medicaid [Rates Unit](#) web page.
