**Nevada Medicaid Web Announcement 3360**

**Claims for Global Procedure Codes Billed With Modifier TC or Modifier 26**

Effective with dates of service on or after May 20, 2024, claims for the same recipient and same date of service with a global procedure code billed with modifier TC (Technical Component) or modifier 26 (Professional Component) will deny with error code 6134 (Unbundling of technical/professional modifiers). No claims will be reprocessed automatically as this update is a go-forward change.

Modifiers TC and 26 cannot be billed with global procedure codes for the same recipient and same date of service. Global services include both the professional and technical components of a service.
