Nevada Medicaid Web Announcement 3366

**Attention Provider Type 33 (Durable Medical Equipment, Prosthetics, Orthotics and Supplies):**

**Default Rate for Burn Garment Procedure Codes**

Effective with claims processed on or after May 28, 2024, the Medicaid Management Information System (MMIS) has been updated to reflect a \$0 rate for provider type 33 (Durable Medical Equipment, Prosthetics, Orthotics and Supplies) for the following burn garment procedure codes:

A6501, A6502, A6503, A6504, A6505, A6506, A6507, A6508, A6509, A6510, A6511, A6512

The pricing for these procedure codes is not changing as these codes are still priced by invoice. The default rate update will allow these manually priced procedure codes to show as payable and covered in the Electronic Verification System (EVS) going forward.
