Nevada Medicaid Web Announcement 3396

Children's Cancer and Rare Diseases Clinic Specialty Implemented Under Nevada Medicaid Provider Type 20 (Physician, M.D., Osteopath, D.O.)

Nevada Medicaid has implemented a new specialty under provider type (PT) 20 (Physician, M.D., Osteopath, D.O.): Children's Cancer and Rare Diseases Clinic (specialty 699). Effective July 16, 2024, the new specialty 699 is available for enrollment through the [Online Provider Enrollment](#) portal. The enrollment checklist is posted on the [Provider Enrollment Checklists](#) webpage.

A separate billing guide has been created for this new specialty with billing information and requirements. The new PT 20 specialty 699 Billing Guide will be posted on the [Providers/Claims Billing Information](#) webpage.
