Effective with dates of service on or after October 1, 2023, the reimbursement rate for revenue code 0551 (Nursing visit, skilled) has been updated for provider type (PT) 64 (Hospice) to align with Centers for Medicare & Medicaid Services (CMS) mandated rates.

Claims submitted by PT 64 with revenue code 0551 with dates of service on or after October 1, 2023, that paid the previous rate will be reprocessed automatically at a later date. Results of the reprocessed claims will appear on a future remittance advice.

When claims are reprocessed, please be aware that all system and clinical claim editor edits are applicable. As a result, there may be no additional payment, and other claim denials may be received. Providers have the right to appeal denied claims, including those denied upon reprocessing. Please refer to [Medicaid Services Manual Chapter 100](#) and the [Billing Manual](#) for information concerning the claim appeal process and time frames.
