Claims Impacted by National Correct Coding Initiative Quarter 4 2023 Replacement Files Have Been Reprocessed

As part of the updated Centers for Medicare & Medicaid Services (CMS) National Correct Coding Initiative (NCCI) Quarter 4 2023 files posted on October 1, 2023, a replacement file was added that impacted Quarter 3 2023 claims.

Any claims impacted by the replacement files with dates of service from July 1, 2023, through September 30, 2023, have been automatically reprocessed. Results of the reprocessed claims appear on the remittance advice dated September 13, 2024.

When claims are reprocessed, please be aware that all system and clinical claim editor edits are applicable. As a result, there may be no additional payment, and other claim denials may be received. Providers have the right to appeal denied claims, including those denied upon reprocessing. Please refer to [Medicaid Services Manual Chapter 100](#) and the [Billing Manual](#) for information concerning the claim appeal process and time frames.
