Nevada Medicaid Web Announcement 3519

Services for Justice Involved Reentry Initiative Covered Effective January 1, 2025

The Division of Health Care Financing & Policy (DHCFP) is excited to announce that enrolled providers can now begin utilizing and billing for services under the Justice Involved Reentry Initiative, effective January 1, 2025. This Initiative is a vital step toward ensuring care and smoother transitions for eligible juveniles reentering the community before and after institutional or carceral care.

Services Now Available for Billing

Under this Initiative, Nevada Medicaid and Children's Health Insurance Program (CHIP) will include the following services 30-day pre- and post-release:

- Physical (diagnostic) and brief emotional/behavioral assessment
- Certain Early and Periodic Screening, Diagnostic, and Treatment (EPSDT) services for eligible juveniles
- Targeted Case Management (TCM) services to ensure continuity of care and support

Eligible Provider Types

Providers authorized to deliver and bill for these services include:

- PT 14 – Behavioral Health Outpatient Treatment
- PT 20 – Physician, M.D., Osteopath, D.O.
- PT 22 – Dentist
- PT 24 – Advanced Practice Registered Nurse (APRN)
- PT 26 – Psychologist
- PT 54 – Targeted Case Management
- PT 77 – Physician's Assistant (PA/PA-C)
- PT 82 – Behavioral Health Rehabilitative Treatment

Participating providers performing EPSDT screening services must follow guidelines per the scope of their license and the Medicaid Services Manual (MSM).

Billing Guidance

The billing guide includes the available service codes and limitations and can be found on the [Billing Information](#) page.

See the [Justice Involved Reentry Program](#) page for more information.
