Nevada Medicaid Web Announcement 3560

IMMEDIATE ATTENTION REQUIRED for Provider Type 17 (Special Clinics) Specialties 215 (Substance Use Agency Model) and 171 (Methadone Clinic): DEADLINE and TERMINATION Reminder

This web announcement is a reminder that after **March 31, 2025**, Nevada Medicaid will stop recognizing Substance Use Treatment Service providers enrolled as provider type (PT) 17 (Special Clinics) specialties 215 (Substance Use Agency Model) and 171 (Methadone Clinic). If you are currently enrolled as a PT 17 specialty 215 or 171, you must enroll as a new PT 93 (Substance Use Treatment) to continue providing substance use treatment services to Nevada Medicaid recipients.

Effective April 1, 2025, all providers enrolled as a PT 17 specialty 215 or 171 will be **TERMINATED IMMEDIATELY**.

Providers are encouraged to submit their PT 93 application as soon as possible. Applications that are returned for corrections cannot be expedited.

PT 17 specialty 215 or 171 providers will **NOT** be able to submit any claims with a date of service **AFTER** March 31, 2025.

All PT 93 Substance Use Treatment providers are required to bill in accordance with the Medicaid Services Manual (MSM) [Chapter 4100](#) - Substance Use Treatment Services and the [PT 93 Billing Guide](#).

Resources For Assistance:

For further assistance, please use the following resources:

- The [Substance Use Treatment Provider Enrollment Workshop](#) on the Nevada Medicaid YouTube channel
- The [Substance Use Treatment PT 93 Prior Authorization Workshop](#) on the Nevada Medicaid YouTube channel
- The [provider enrollment checklists](#) on the Nevada Medicaid provider website.
- For further assistance, contact Nevada Medicaid from the [Nevada Medicaid Contact List](#) page of the Nevada Medicaid provider website
