Nevada Medicaid Web Announcement 3587

**Attention Provider Types 11 (Hospital, Inpatient) and 75 (Critical Access Hospital):**

**Long-Acting Reversible Contraception Devices Services Will Be Opened for Billing**

During the 82nd Nevada Legislative Session (2023), Senate Bill (SB) 280 was passed which will carve out Long-Acting Reversible Contraception (LARC) services for provider types 11 (Hospital, Inpatient) and 75 (Critical Access Hospital) from Managed Care Organizations (MCO) and place them under Fee-for-Service (FFS) Medicaid.

When these changes are implemented, hospitals under PTs 11 and 75 may begin billing for LARC services outside of the per diem rate using the procedure codes listed below. Claims for LARC services must be billed as an **outpatient** claim by their PT 12 (Hospital, Outpatient) location and may be billed concurrently with an inpatient stay.

Procedure Code	Description	Service Limit	Notes
58300	Insertion of IUD	2 units allowed per day	
58301	Removal of IUD	2 units allowed per day
