**Nevada Medicaid Web Announcement 3594**

## **Attention All Providers: Complete Existing Provider Enrollment Applications Prior to Provider Flex Implementation**

In anticipation of the new Provider Flex tool, Nevada Medicaid recommends all outstanding enrollment applications be completed prior to your provider type's phased implementation. See the table below for your provider type's Provider Flex implementation start date.

If the application is not resubmitted with all of the required corrections prior to the implementation of Provider Flex, you will have to start a new application.

<b>Date</b>	<b>Impacted Provider Types</b>
April 22, 2025	Group 1 (PT 24/72/74/77) providers go live in Provider Flex enrollment tool
May 13, 2025	Group 2 (PT 20) providers go live in Provider Flex enrollment tool
June 17, 2025	Group 3 (PT 14/82) providers go live in Provider Flex enrollment tool
July 8, 2025	All providers live in Provider Flex enrollment tool
