## **Nevada Medicaid Web Announcement 3653**

### **Provider Directory Information Request for Providers**

Beginning July 1, 2025, the Nevada Medicaid Search Provider Directory will display the following additional provider information:

- The provider's days and hours of operation.
- Languages (including American Sign Language) offered by the provider's office (including interpretation/translation service offerings) or by a skilled medical interpreter who provides interpretation services at the provider's office.
- Whether the provider is accepting new Medicaid recipients.
- Whether the provider can accommodate recipients with special needs.
- Whether the provider offers covered services via telehealth.
- Whether the provider accepts Fee-for-Service, Managed Care, or both.
- The provider's website (if applicable).

Providers in the process of becoming a Nevada Medicaid provider may supply this information in the appropriate fields of the electronic enrollment application.

Currently enrolled providers may also view, update, and/or supply this information via the Provider Web Portal by completing a Demographic Update.

For questions or assistance with updating contact information, please contact the Gainwell Technologies Contact Center at (877) 638-3472.
