Nevada Medicaid Web Announcement 3663

New Provider Type (PT) 97 to be Created for Peer Support

Nevada Medicaid has submitted a State Plan Amendment (SPA) to the Centers for Medicare & Medicaid Services (CMS) to define all allowable types of Peer Support services that will allow for a new provider type (PT) 97 for Peer Support as part of the Children's Behavioral Health Transformation. The SPA is pending CMS approval.

Effective July 8, 2025, PT 97 will be available for enrollment in the [Provider Flex](#) tool. Eligible providers may backdate their enrollment effective date to July 1, 2025. The Enrollment Checklist will be posted on the [Enrollment Checklists](#) page.

The following specialties have been established under PT 97:

- 706 – Peer Recovery Support Specialist (PRSS)
- 720 – Youth Peer Support Specialist (YPSS)
- 897 – Peer Support Services/Agency/Entity/Group
- 899 – Family Peer Support Specialist (FPSS)

Once a provider is enrolled and active as a PT 97, they may begin to submit claims under their new PT 97 following the prior authorization and billing requirements. These requirements can be found in the new PT 97 Billing Guide, which will be posted on the [Billing Information](#) webpage.

Note: Claims submitted by PT 97 will suspend pending SPA approval.
