Nevada Medicaid Web Announcement 3893

Attention Provider Types 11, 13, 16, 19, 44, 51, 68, 75, and 78:

Form FA-30 and FA-30-I Updated for Long Term Care Facilities

The Out-of-State Nursing Facility Placement Packet (FA-30) has been updated to the Out-of-State Placement Packet – Long Term Care Facilities and replaced on the Nevada Medicaid Provider Portal website on the [Providers Forms](#) webpage.

The changes to this form include the following:

- Updated language throughout to change Nursing Facilities to Long Term Care Facilities.
- Updated the contact information for submitting requests or questions.
- Updated the process for Out-of-State Facility Tracking.

Providers are requested to discontinue use of the previous version of the form and use the updated form dated 04/16/2026 immediately.

Beginning May 1, 2026, out-of-state placement requests submitted on any previous version of the form will be returned to the provider with instructions to resubmit the request using the updated form.

The instructions for completing this form (FA-30-I) have also been updated accordingly.
