Nevada Medicaid has adopted revisions to Medicaid Services Manual (MSM) Chapter 2800. These revisions were heard and approved through the Public Hearing process pursuant to Nevada Revised Statutes (NRS) 422.2369 on **April 28, 2026**, and became effective **April 29, 2026**.

The adopted changes include updating and clarifying SHS policy to improve usability, compliance, and alignment with Medicaid requirements. The changes simplify provider-facing language, update the age eligibility from 3–21 to under 21 years of age, establish a limited exception to Ordering, Prescribing, and Referring (OPR) requirements for registered nurses (RN), clarify third-party liability (TPL) pay and chase requirements, and add a new Program Compliance section (Section 2803.7).
