Web Announcement 395

New Codes for Immunization Administration Effective January 2011

Effective dates of service on/after Jan. 1, 2011, new CPT immunization administration codes 90460 and 90461 have replaced CPT codes 90465, 90466, 90467 and 90468, which were closed on Jan. 1, 2011.

Bill the new codes for recipients age 0 through 18. The closed codes were billed for recipients age 0 through 8.

Also effective dates of service on/after Jan. 1, 2011:

- A rate of \$7.80 has been assigned to code 90460.
- No rate has been assigned to code 90461.

All new 2011 CPT, HCPCS and CDT codes are in the process of being incorporated into the Medicaid Management Information System (MMIS). If claims for codes 90460 and 90461 deny for the code not found in MMIS, they will be reprocessed at a later date. Providers will be notified when the new 2011 codes are incorporated into MMIS and when claims for the new 2011 codes are reprocessed.
