Nevada Medicaid Web Announcement 4000

New Specialty 309 (Behavioral Health Training Clinic) To Be Created Under Provider Type 14 (Behavioral Health Outpatient Treatment)

Nevada Medicaid is creating a new specialty under provider type (PT) 14 (Behavioral Health Outpatient Treatment): Behavioral Health Training Clinic (BHTC) (specialty 309). This specialty will provide outpatient behavioral health services to Medicaid recipients through an approved BHTC model operated by Nevada accredited universities.

Beginning September 21, 2026, specialty 309 will be available for enrollment through the [Provider Flex](#) tool. Providers must enroll with a unique National Provider Identifier (NPI). Additionally, an enrollment checklist with requirements specific to this specialty will also be available on the [Enrollment Checklists](#) page. Refer to the [Provider Enrollment Information Booklet](#) for general enrollment requirements and information.

The PT 14 Billing Guide will also be updated to include coverage for specialty 309 and posted on the [Billing Information](#) page. Please refer to this billing guide for information regarding billable codes, billing instructions, and prior authorization requirements.

[Medicaid Services Manual Chapter 4500](#) – Behavioral Health Training Clinic has been created with the complete policy for this specialty.
