Announcement 473

## **Urgent: Updates for Provider Types 10, 22, 32, 33, 45 and 46 Regarding Rate Reductions or Retractions**

This announcement provides updates regarding previously announced rate reductions for the provider types indicated below. The information in this web announcement supersedes all information in web announcements 408, 421 and 435.

- **Provider Type 10:** As previously announced, the rate reduction of 15 percent was retracted. Rates were restored to those in effect prior to the August 1, 2011, change. Any claims affected by the prior reduction were reprocessed and the adjudication appears on remittance advices dated November 25, 2011.
- **Provider Type 22:** Rates were reduced by .7 percent with an effective date of August 1, 2011. Any claims with a date of service from August 1, 2011, to August 8, 2011, were reprocessed at the lower rate. The adjudication of any reprocessed claims was reported on remittance advices dated March 23, 2012.
- **Provider Type 32:** The previously announced rate reduction of 15 percent has been implemented retroactively to **December 6, 2011**. Claims affected by the reduction will be reprocessed and the adjudication will appear on a future remittance advice.
- **Provider Type 33:** Rates were reduced by .7 percent effective August 1, 2011. Any claims with a date of service from August 1, 2011, to August 8, 2011, will be reprocessed at the lower rate. The adjudication of any reprocessed claims will be reported on a future remittance advice.
- **Provider Type 45:** The previously announced rate reduction of 15 percent has been implemented retroactively to August 1, 2011. Claims affected by the reduction will be reprocessed and the adjudication will appear on a future remittance advice.
- **Provider Type 46:** The previously announced rate reduction of 15 percent has been implemented retroactively to August 1, 2011. Claims affected by the reduction will be reprocessed and the adjudication will appear on a future remittance advice.
