Dental Providers (PT 22): Client Treatment History and Handicapping Labiolingual Deviation Forms

Effective April 15, 2013, HP Enterprise Services (HPES) will only accept the **current** Client Treatment History (FA-26) and Handicapping Labiolingual Deviation (HDL) Index Report (FA-25) forms. The current forms are dated 10/01/11 (see bottom left corner of each form). These forms can be found at www.medicaid.nv.gov (select the "Providers" tab, and then "Forms"). Requests from the treating dentists or orthodontists received on any other form will be returned to the provider.
