Urgent Notification: Claims Inappropriately Pended for Edit Code 4899

Some claims processed on November 15, 2013, have inappropriately pended for edit code 4899 (Claim pended for claim review) due to a system issue. The affected claims will show as pended on remittance advices (RAs) dated November 22, 2013. The issue has been resolved and the adjudication of affected claims will appear on a future remittance advice. Another web announcement will be published when the affected claims are adjudicated.
