January, February and March 2014 Provider Training Reminder

The HP Enterprise Services (HPES) training team will conduct several workshops in the months of January, February and March.

- **Introduction to Becoming a Nevada Medicaid Provider** is offered for those interested in understanding what the Medicaid Program in Nevada entails and will focus on information, applications, public websites and general information. This course is for persons **not** already enrolled with Nevada Medicaid.
- **New Provider Training** is designed for providers new to Nevada Medicaid and Nevada Check Up, and explains the tools available to easily find claim or payment status and recipient eligibility.
- **PayerPath Workshops** are tailored to the completion of the specific form type used for your provider type.
- **Claim Form Training** workshops will introduce the Nevada Medicaid paper form submission guidelines and are tailored to the completion of the specific form type used for your provider type.
- **ICD-10 Overview** is a workshop that explains what ICD-10 is, when it will be required and where to find future updates.
- **Prior Authorization Submission** will focus on how to create and manage prior authorizations, view completed prior authorizations and find resource and contact information.
- **Quarterly Training** for Medicaid Providers will provide all of the updates and changes that are occurring in Nevada Medicaid and Nevada Check Up.

Notes:

- All courses are non-clinical in nature.
- Sessions that have a morning time and afternoon time are identical; they are not part 1 and part 2.*
