Claims for Surgical Procedures that Denied Inappropriately for Edit Code 0825 Reprocessed

Claims for once-in-a-lifetime surgical procedures were denying inappropriately for edit code 0825 (Once-in-a-Lifetime Service) for the primary physician if the assistant physician's claim was submitted first. The system issue has been resolved and affected claims with dates of service on and after January 1, 2011, have been reprocessed. The adjudication of the reprocessed claims appeared on remittance advices dated September 20, 2013.
