Announcement 737

Reminder: Valid ICD-9 and/or Principal Diagnosis Codes Required on CMS-1500, UB and ADA Claim Forms

Valid ICD-9 diagnosis codes and/or principal diagnosis codes are required on all paper and electronic CMS-1500, UB and ADA claims submitted by any provider type. Please refer to the claim form instructions posted on the [Provider Billing Information](http://www.medicaid.nv.gov) webpage at www.medicaid.nv.gov.

Please note: The CMS-1500 and ADA claim forms also require the appropriate diagnosis pointers.
