Announcement 778

Personal Care Services (Provider Types 30 and 83) Enrollment Checklist Requirements

The Provider Enrollment Checklists for provider type (PT) 30 (Personal Care Services – Provider Agency) and PT 83 (Personal Care Services – Intermediary Service Organization) have been updated. The updated checklists must be returned with provider enrollment and re-enrollment applications received by HP Enterprise Services on or after August 1, 2014. Applications received on or after August 1, 2014, that are not submitted with the current checklist will be returned. The current checklists are indicated with an updated date of 07/17/2014.
